product description

Material: Base kraft paper, impregnated with melamine, laminated steel plate

Size: 1220*2440*1mm

Color: 9 series, thousands of styles

Fire protection rating: B1

Environmental protection level: E1

Wear resistance coefficient: 70 RPM

Applicable space: furniture veneer, wall top decoration

- Stone series
- Fabric series
- Wood series
- Solid color series
- 列 Solid color special face series
- Leather pattern series
- Pearl silver powder series
- Silver Powder Special noodles
- Sheet metal

SAMPLE PROJECTS

A modern interior scene featuring a bar area. A curved bar counter with a light-colored top and a base of vertical brass-colored slats holds a bottle of sparkling wine in a decorative silver and blue foil sleeve and a tall flute glass. Above the bar, a brass-colored chandelier with five white spherical shades hangs from the ceiling. The background consists of a grey wall with a large arched mirror reflecting part of the room. The website address "WWW.E-V-C.COM" is printed in the center of the image.

WWW.E-V-C.COM

WWW.E-V-C.COM

WWW.E-V-C.COM

Installation:

Joint treatment: generally with metal strips or filled with glass glue.
The closing substrate plate can be jointed directly with metal strips.
No substrate can not close, stick good will not open.

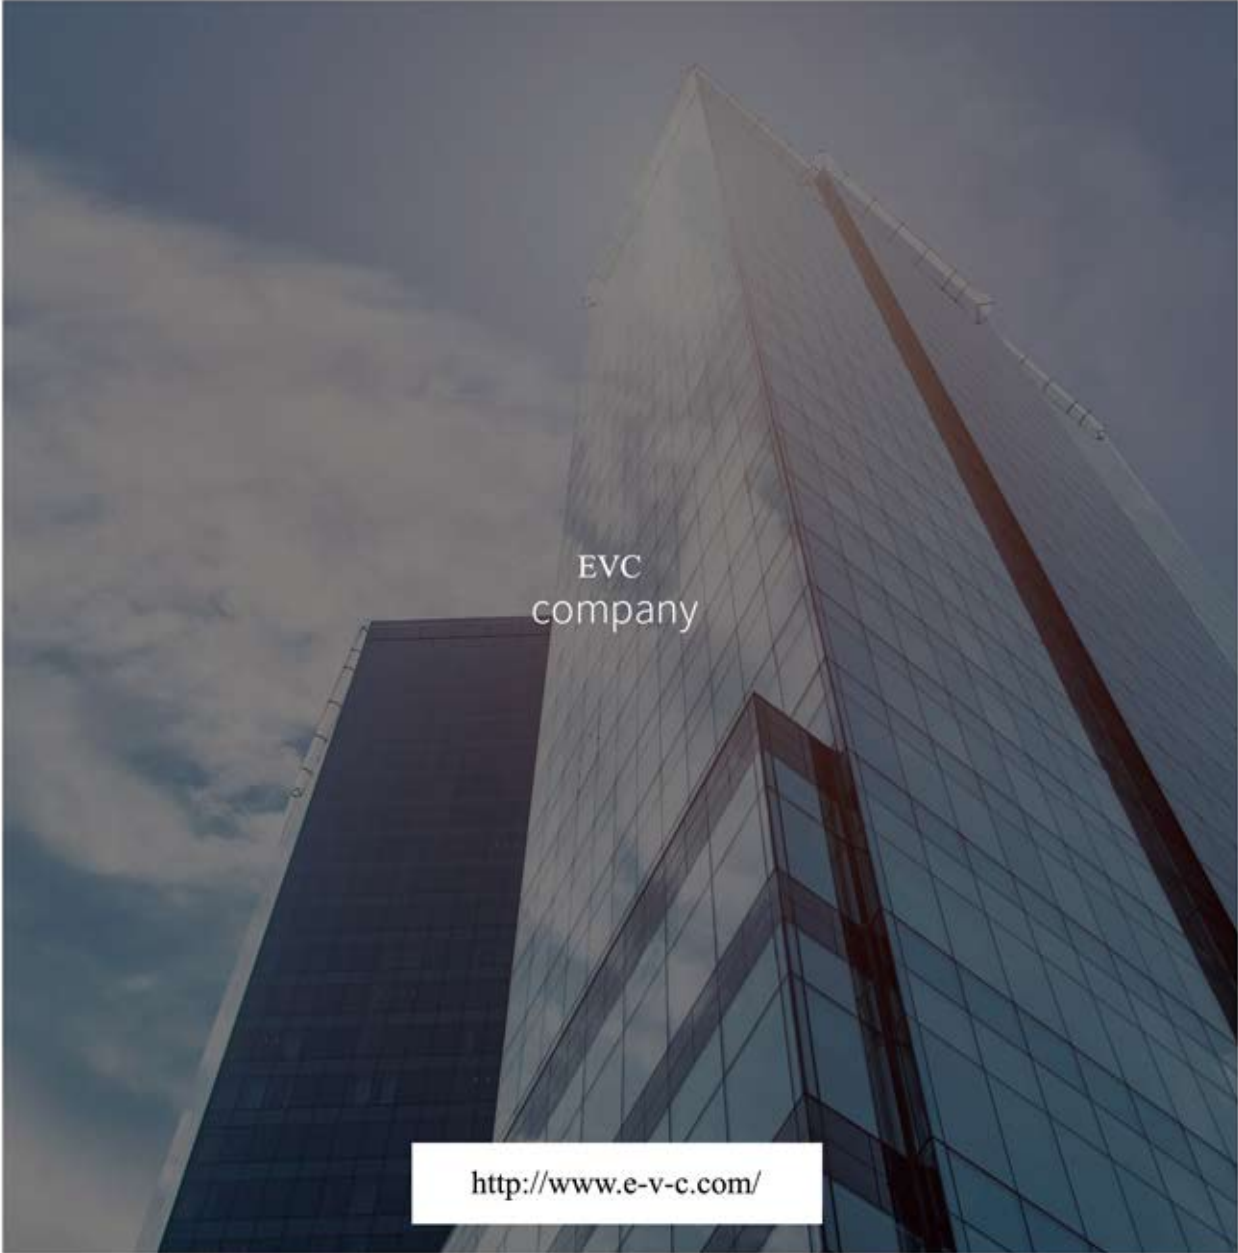

Packing: More than 60 sheets are flat packed, no packing charge.
The following is the roll and delivery wooden beater.
15 is a wooden frame

Color difference: different batches have slight color difference
